1. Debilitated planets give result depending on:

- i) Lordship they hold.
- ii) In which house they are placed.
- iii) They give problems related to their Natural Significations.

2. It is very important to see that :

- i) What is their state in the related Varga chart.
- ii) Initially the Debilitated planet may give bad results but later are able to deliver good results.

		Lag Mar	
Rah	<b>Navamsha</b>		Mer
Ven Jup			Ket
Sun		Sat Moon	

3. According to Brihat Parashar Hora Shastra,

the 3<sup>rd</sup>, 6<sup>th</sup> or 8<sup>th</sup> Lords in their Debilitation become '*Raja Yoga Karaka*'.

4. If placed in the 3<sup>rd</sup>, 6<sup>th</sup> or 8<sup>th</sup> House, debilitated planets give good results.

5. If debilitated planets are in *Vipreet Raja Yoga*, they give good results.

6. When a planet comes out of its debilitation point, it behaves like a prisoner just released from jail as its full of energy and joy or happiness, thereby giving good results.

Therefore, it is very necessary to study these points before analysing the results given by a debilitated planet

in a horoscope because the debilitated planet not always gives bad results and may give good results.

I am presenting the horoscope given to me by my **Guruji Shri K.N.Rao Sir**, which has three debilitated planets, namely, both the Lumanaries, the Sun, the Moon and Jupiter and yet the person became very famous.

She is well known in the field of Astrology and has written many books on Astrology and is Editor of 'Modern Astrology' magazine.

**Details of the Debilitated Planets**

---

**Moon** is the Sixth Lord placed in the tenth house with Venus as Fourth Lord and Ninth Lord is being aspected by Mars from Seventh house.

**Sun** is the Seventh Lord placed in the ninth house and is being aspected by Saturn from seventh house.

**Jupiter** is the Second and Eleventh Lord placed in the twelfth house is aspecting the Mercury and Ketu in the Eighth house. *Jupiter is Vargottam.*

**Introduction:** This is a horoscope of a **Famous Woman Astrologer**, none other than **Smt. Gayatri Devi Vasudev**, daughter of famous Astrologer, Dr. B.V. Raman, who has done research in Mundane Astrology and given many correct Predictions and is presently the Editor of astrological magazine "**MODERN ASTROLOGY**".

The details have been given by **Guruji Shri. K.N.Rao** Sir. She is the eighth child among her other siblings. Dr. B.V. Raman made her the joint Editor of the Astrological Magazine. Though she had elder brothers and sisters but she was chosen by her father to become the joint Editor. This is because he saw more talent (Pratibha) in his younger daughter.

### **Some Events of her life**

1. Her academic career in physics and mathematics and later on in Law from Bangalore University was with distinction. After Completing study in Law in April-May 1972, (Dasha running was of **Ketu/Ketu**) at the age of 22 years, she started her career by going to Lawyers office for training.

2. In September, 1972, (Dasha running was of **Ketu/Venus**) her father, Dr.B.V Raman before going overseas gave her papers of Articles on Astrology and asked her to go through them and collect them and make a write-up. She was good in Composition and writing. She started reading and compiled the astrological articles. When her father returned and saw the compilation, he patted her at the back for an excellent work done by her.

3. This was a turning point in her life and career. She started reading more Articles of Astrology and also started writing. Though she took no formal education in Astrology but would hear her father give astrological readings to his clients.

4. In 1985, when *Shri. K.N.Rao* Sir was posted in Bhubhneshwar, he received a letter from Dr.B.V. Raman stating that he is making his daughter, Gayatri Devi Vasudev as the Joint Editor of the Astrological magazine which had been running since 1936 and that *Shri. K.N. Rao sir* should give his full support to her as he had been doing earlier for Dr. B.V.Raman. This is because Dr. Raman saw more Pratibha i.e. talent in his daughter.

5. Guruji always supported and guided Smt. Gayatri Devi for the articles of astrology. As there was a Parampara, Guruji had learned Jyotish from his mother (Mother to Son) and Smt. Gayatri Devi learnt Jyotish from her father (Father to Daughter).

Dr. B.V. Raman was a '*Parampara ke Jyotishi and Parampara ki jyotish karne wale bade sankeerna ho jate hain*'.

6. On 20<sup>th</sup> December, 1998 (dasha running was of **Venus/Ketu**) Death of her father, Dr. B.V.Raman. Venus is the Ninth Lord in Tenth house and Ketu is posited in Twelfth house from Ninth house (Father).

7. On 21<sup>st</sup> April, 2003 (dasha running was of (**Sun/Mercury**) she was honoured by the Sri Lankan President, Mrs. Chandrika Kumaratunge, with the title of **Queen of Astrology** at Colombo.

Gayatri Devi Vasudev has authored many books on Astrology and Vastu. The exalted Mercury as the Fifth and Eighth Lord conjunct with Ketu placed in Eighth house aspected by Jupiter from Twelfth house. As *Guruji Shri. K.N.Rao* sir had told us the combinations for writing is that - Fifth house or Fifth Lord gives **Authorship** while the Third house or Third Lord gives **quick writing**.

8. After her father's death in December, 1998, mother supported her and at age of 90 years moved out of her husband's property with her daughter. She had legal battle with her brothers and sisters, over her fathers' property as she along with her husband and mother was told to leave the premises and was deprived of the right to the fathers' property (dasha was of **Sun/Sun**) Sun, Seventh Lord is debilitated (Neech Ka Surya) in the Ninth house (Father and Fortune) and is aspected by Saturn which is conjunct with Third Lord Mars (Co-borns) in the Seventh house. Because she was favoured by her mother and father her brothers and sisters were very jealous of her.

---

9. In the year 2018 (Dasha of **Mars/Saturn**), she got her share in her fathers property as she won legally. Mars is the Third & Tenth Lord with Lagnesh Saturn (22°33') is in close degree conjunction with Ninth Lord, Venus (22°44') and is placed in Seventh house makes a **Raja Yoga** as Saturn gets directional strength in Seventh house.

In Namasha, Saturn gets exalted and is with Moon placed in Sixth house.

### **Astrological Analysis of the horoscope:**

#### **The Debilitated planets results:**

**Moon** as the Sixth Lord (Litigation) is debilitated in Tenth house has crossed the debilitation point of 3° and is conjunct with Venus which is the Fourth (Property) & Ninth (Father) Lord being aspected by Mars as the Third (Co-borns) & Tenth (Career) Lord from the Seventh house.

According to **Brihat Parashar Hora Shastra**, the Sixth Lord when debilitated will become **Raja Yoga Karaka**, therefore, dasha of debilitated Moon gave good results. Here in the dasha of Moon from February 2005 to February 2015. The Astrological Magazine publication closed down in December 2007 (dasha of **Moon/Rahu**) following her resignation from its Editorship in June 2007. As Editor from January 1999 to June 2007 of the Astrological Magazine and earlier as its Associate Editor, she was actively involved with her father, Dr. B.V.Raman from 1972 to until his death in December 1998 in his mission of Astrology.

She became the Editor of **MODERN ASTROLOGY** magazine which she started in 2009 (dasha of **Moon/Jupiter**). The ten years of Mahadasha of Moon, though debilitated gave her position and she started her own Magazine.

**Sun** is the Seventh Lord (Spouse) is debilitated in the Ninth house (Fortune and Father) and in Navamsha is placed in Eighth house aspected by Mars and Saturn.

Sun is the significator of Father. She took up her fathers work, Astrology as her career as Ninth Lord (Father) is in Tenth house (Career), so we can say *her career is linked to her Father*.

She has a very nice husband. The debilitated Sun as Seventh Lord only shows that her husband was insulted

by her brothers but he stood by his wife. It also shows the pain her husband had to undergo due to insult by her brothers, which is due to debilitation of Sun as the Seventh Lord in Ninth house aspected by Saturn.

The Six years of Maha dasha of Sun (Feb. 1999 to Feb. 2005) gave her some bad times but she became stoic and got the great strength to move on without resisting.

**Jupiter** is the Second (Income) & Eleventh Lord (Financial gains), is debilitated in twelfth house shows some problems or difficulty for money she must have faced. *Jupiter is vargottam*, giving it strength so there is the strength to overcome financial crisis.

Jupiter's Mahadasha did not come. But Jupiter gave good results in Antardashas as it became powerful due to being **Vargottam**.

**Conclusion:** It can be clearly be stated that despite having Three planets debilitated in her horoscope, Smt. Gayatri Devi Vasudev became very Famous Astrologer and has given many accurate predictions and worked on Mundane Astrology. Only a good astrologer can evaluate these points on debilitated planets before giving any prediction.
